

SHIFT DANCE: 2018 Dance Recital - Digital or DVD Video Order

Images On Video Productions is once again proud to record this year's dance recital. But not just the dance recital, it will open with footage of the dancers at their classes + exciting behind the scenes footage before the dancers take to the stage for the full dance recital. Closing with a 5 minute highlight version of the entire show!

Again, this year you will have the choice of ordering a HD digital download or a regular DVD. HD digital is a higher quality picture on your computer and smart TV than the DVD. It will come with a code and a download file! This will be the last year of ordering DVDs.

DVDs are going the way that VHS went and DIGITAL is much better to watch!

As an **EARLYBIRD** incentive for ordering a **DIGITAL DOWNLOAD** by **May 26**. You will receive **ALL OF THE SHOWS** for the the price of ONE DVD \$45.00 . If you order a **DVD** before **May 26**, the price will be \$40.00 for each show. After that date... \$45.00 for each show!

Digital orders will be sent out during June 11 to 15. And DVD orders can be picked up at the SHIFT Studio Office during the same dates... Before summer closure!

Note: All footage downloaded of the dance recital will remain **PRIVATE** and not for public viewing!

To order, please complete the order form below. Include your payment by **Cash or Cheque**. (**Images On Video**) Hand your order to the Shift Dance Studio before the **EARLYBIRD** date to guarantee the savings.
